PUBLIC PARTICIPATION CALL-IN NUMBER

Call-In Number: (800) 723-2481 **Phone Conference ID:** 188 581 237#

TEAMS VIRTUAL PARTICIPATION

Teams Meeting ID: 299 384 188 543 96 **Passcode:** qJ6jJ7Yz

Interested members of the public may use this number to call in to listen to and/or comment on items before CAEATFA. Additional instructions will be provided to callers once they call the indicated number. This call-in number is provided as an option for public participation.

1. Call to Order & Roll Call

Fiona Ma, CPA, called the California Alternative Energy and Advanced Transportation Financing Authority ("CAEATFA" or the "Authority") meeting to order at 10:30 a.m.

Members Present:

Fiona Ma, CPA, State Treasurer (Chair)
David Oppenheim for Malia M. Cohen, State Controller
Michele Perrault for Joe Stephenshaw, Director of Finance
Ken Rider for David Hochschild, Chair, California Energy Commission
Erin Rodriguez for John Reynolds, President, Public Utilities

Members Absent: None

Staff Present: Christina Sarron, Executive Director

Quorum: The Chairperson declared a quorum.

2. Minutes (Action Item)

Ms. Ma asked the Board members if there were any questions or comments concerning the meeting minutes from the June 16, 2026, board meeting. There were none.

Ms. Ma asked if there were public comments. There were none.

Ms. Perrault motioned for approval of the minutes, and there was a second by Mr. Oppenheim.

The minutes were approved.

AGENDA ITEM 2 (ACTION ITEM)

Approval of Minutes

From Tuesday, August 18, 2026

Page 2 of 8

The item was passed by the following vote:

Fiona Ma, CPA, State Treasurer	Aye
David Oppenheim for the State Controller	Aye
Michele Perrault for the Director of Finance	Aye
Ken Rider for the California Energy Commission	Aye
Erin Rodriguez for the Public Utilities Commission	Aye

3. Executive Director's Report

Presented by Christina Sarron, Executive Director

Program Updates:

Event:

Ms. Sarron has reported that CAEATFA is in the process of **contracting with UC Davis** for the upcoming Second Annual **CA Creates: Golden State Manufacturing Forum**, to be held on October 15. Last year's event in Los Angeles, was well received and Ms. Sarron would like to continue to provide California's manufactures with knowledge and access to the funding opportunities available in California.

STE Program

The STE Program received 38 applications for the May 1 deadline. Of these, staff intends to bring 15 STE award recommendations to the September Board meeting. Approximately \$98 million in sales tax exclusion is available for 2026, and the 15 proposed awards are expected to fully utilize this amount. The recommended projects consist of 8 alternative source, 3 advanced transportation, 3 recycling, and 1 advanced manufacturing projects.

GoGreen Financing

GGF has three board items today: One, an amendment to the grant agreement with the Energy Commission; Second, an informational update on our Interest Rate Buydown (IRBD) Program funded by the Energy Commission; and Three finalizing some modifications and adjustments to GoGreen Business regulations.

AGENDA ITEM 2 (ACTION ITEM)

Approval of Minutes

From Tuesday, August 18, 2026

Page 3 of 8

Delegated Authority

Since the last report, Ms. Sarron signed the following items under her delegated authority.

On July 9, 2026, CAEATFA entered into an **interagency agreement** (CAEATFA02-26) with the **State Treasurer's Office, Information Technology Division ("STO-ITD")** for a **one-year term of access** to their **Microsoft Azure cloud computing platform** to house the **GoGreen Financing Loan Master Lists**, for a **total amount not to exceed \$24,000** over the **one-year contract term** of July 1, 2026 through June 30, 2027.

CAEATFA uses the GGF loan Master List Database **to store comprehensive project, loan, lender, borrower, and contractor data, which serves as the foundation for reporting and analytical insights.**

On July 9, 2026, I executed a contract with **Technology Crest Corporation** for an **18-month term** to provide **document compliance services**, ensuring documents for posting to the CAEATFA website satisfy current Americans with Disabilities Act ("ADA") guidelines. The contract is for a **total amount not to exceed \$4,950** over the contract **term of July 1, 2026 through December 31, 2027.**

Ms. Sarron took a moment to thank Bill Heberger for his many years of service as a manager in the GoGreen program. Bill will be retiring as of September 1st after 8 years of service. Congratulations Bill.

Ms. Sarron concluded her updates for August and invited questions from the members.

Ms. Ma asked if Mr. Heberger if he would like to make a comment about the GoGreen Financing program.

Mr. Heberger stated he has worked with GoGreen since 2018 back when the program was called REEL. Mr. Heberger noted that the program went from a couple of loans a week to hundreds.

Ms. Ma stated that she would like to work with Ms. Sarron to hear real-life stories from people that have used the GoGreen program.

Ms. Ma asked whether there were any questions from the board members. None were raised.

Ms. Ma opened the floor for public comment on the Executive Director's Report. There was none.

AGENDA ITEM 2 (ACTION ITEM)

Approval of Minutes

From Tuesday, August 18, 2026

4. Business Items

A. Request to Approve Amendment to Grand Agreement EBD-24-001 between CAEATFA and the CEC

Presented by Bill Heberger, Senior Program Manager

Staff is asking for approval of an amendment to a grand agreement whereby California Energy Commission in 2024 granted CAEATFA \$30 million to provide electric measures in POU territories which is something CAEATFA was unable to do because it was funded by IOUs. This spring, CAEATFA was in negotiations with the Energy Commission and, due to budget constraints on their side, they asked to reduce the award from \$30 million down to \$20 million. Staff determined that \$20 million would be enough money for us to continue to offer the previous measures that we were offering now through the end of the contract. CAEATFA is recommending that the board approve this amendment to the pre-existing grant for the GoGreen Home program.

Ms. Ma asked if there were any comments. There was one.

Mr. Rider commented that the reduction in budget had nothing to do with confidence in the program. Mr. Rider stated that they are very excited about this program and very happy with the partnership with CAEATFA on GoGreen Financing. The budget was generally reduced more than half and several programs are funded from the same pot of money.

Mr. Oppenheim noted that there are further operational adjustments being addressed in the agreement. He asked if anything significant that could illuminate on in the terms of the adjustments mentioned?

Mr. Heberger replied that there were some amendments that came up over the course of two years of administering the program, such as Publicly Owned Utilities, POUs. He stated that GoGreen wanted to include small electric co-ops and smaller IOUs such as Liberty Utilities and PacifiCorp so that the program could be truly statewide. Mr. Heberger stated that language

AGENDA ITEM 2 (ACTION ITEM)

Approval of Minutes

Page 5 of 8

was cleaned up about the end of the program and an increase in the CAP of 7% to 8.5% to allow capital more flexibility.

Ms. Ma asked if there were any public comments. There were none.

Mr. Rider moved for approval, and there was a second from Ms. Perrault.

Ms. Ma stated that there was a motion and a second and called for a vote.

The item was passed by the following vote:

Fiona Ma, CPA, State Treasurer	Aye
David Oppenheim for the State Controller	Aye
Michele Perrault for the Director of Finance	Aye
Ken Rider for the California Energy Commission	Aye
Erin Rodriguez for the Public Utilities Commission	Aye

B. Resolution of the California Alternative Energy and Advanced Transportation Financing Authority to Amend a Grand Agreement Between CAEATFA and the CEC

Presented by Rob Geltner, Program Manager GoGreen Home

The GoGreen Home Interest Rate Buy Down (IRBD) campaign promotes no- to low-interest financing to income-qualified households residing in LIDAC communities. The campaign intends to increase the adoption of heat pump technology in historically underserved areas while being available in a truly statewide capacity. Qualifying projects are capped at \$30,000, terms of 10 years or less may be eligible for 0% financing, and terms of 10-15 years may be eligible for 2% financing.

In July of 2026, CAEATFA and the California Energy Commission (CEC) agreed to make modifications to the IRBD campaign in an effort to assist more Californians to receive financing for energy projects. Two key updates were made: first is the income qualification to be dependent upon the borrower rather than the entire household and second is to set a statewide income cap of \$150,000 for eligibility (a signed customer attestation is required). These updates are anticipated to allow more widespread participation in the IRBD campaign for California residents as well as California lenders. Currently, household level income verification and complex income tables severely limit this participation. Mr. Gentler stated that

AGENDA ITEM 2 (ACTION ITEM)

Approval of Minutes

From Tuesday, August 18, 2026

Page 6 of 8

the current income verification and complexity of the income tables has severely limited the participation of lenders but anticipates an increase with updates to the campaign.

Ms. Ma asked if the income limit would be higher or lower.

Mr. Gentler replied that it was based on household and dependent on where the residents lived in the state. Now the limit would be just one amount.

Ms. Ma then asked if there were any questions from the Board members. There was one comment.

Mr. Rider commented that he thought this would help the Interest Rate Buydown Program get some movement.

Ms. Ma then asked if there were any questions or comments from the public. There were none.

Ms. Ma noted that this is an information item.

Mr. Geltner stated that this would go into effect immediately.

C. Resolution of the California Alternative Energy and Advanced Transportation Financing Authority Approving Modifications to Regulations and Other Related Actions to Implement the Commercial Energy Efficiency Financing Program

Presented by Jonathan Verhoef, Program Manager GoGreen Business

GoGreen Business and Multifamily program staff request Board approval to make permanent the regulations changes approved through the emergency regulations process in August and September of 2025. Those amendments make explicit the option to use the program's enhanced financing for wildfire repairs, and address several requests made by affordable multifamily lenders to better align the program's requirements with industry practices.

Staff are proposing to make permanent the following amendments to program regulations:

1. Clarifying that the program's enhanced financing may be used for the purpose of rebuilding properties destroyed by natural disasters;
2. Extending the timelines for submission for enrollment and final funding to twelve months to provide greater flexibility for lenders working with complex sources of capital;
3. Allowing eligibility through the pre-qualified measure list for installations at multifamily properties to help reduce project cost;
5. Removing a limitation on security against real property to help qualify projects for credit; and

AGENDA ITEM 2 (ACTION ITEM)

Approval of Minutes

From Tuesday, August 18, 2026

Page 7 of 8

6. Simplifying and increasing the rate of loss reserve contributions for multifamily projects to 10% of the first \$ one million in financing to help lenders achieve greater coverage.

Through these changes staff propose to better meet lending needs in the multifamily sector and fund more comprehensive clean energy retrofits, and to better serve the needs of Californians impacted by natural disasters.

Ms. Ma then asked if there were any questions from the applicant for the Board members. There was one comment.

Mr. Oppenheim commended CAEATFA for adding instructions for natural disasters.

Ms. Ma then asked if there were any questions or comments from the public. There were none.

Mr. Oppenheim moved for approval, and there was a second from Ms. Perrault.

The item was passed by the following vote:

Fiona Ma, CPA, State Treasurer	Aye
David Oppenheim for the State Controller	Aye
Michele Perrault for the Director of Finance	Aye
Ken Rider for the California Energy Commission	Aye
Erin Rodriguez for the Public Utilities Commission	Aye

D. Approval of the 2027 Board Meeting Calendar

Presented by Justin Gustafson, Contracts Analyst

Pursuant to the California Code of Regulations, title four, article one, section 10010 A, Regular meetings of the authority will be held on the third Tuesday of each month at Sacramento, CA unless otherwise ordered by the authority. All meetings that we've scheduled meet the regulations standard, except for the November and December meetings, which are scheduled for the second Tuesday of their respective months to accommodate holidays. Staff requests approval of the proposed 2027 meeting schedule for the California Alternative Energy and Advanced Transportation Financing Authority. Staff recommends approval of the proposed meeting, scheduled for calendar year 2027.

Ms. Ma then asked if there were any questions from the applicant for the Board members. There was one comment.

Ms. Perrault thanked the team for making sure meetings are scheduled well in advance.

Ms. Ma then asked if there were any questions or comments from the public. There were none.

AGENDA ITEM 2 (ACTION ITEM)

Approval of Minutes

From Tuesday, August 18, 2026

Page 8 of 8

Ms. Perrault moved for approval, and there was a second from Mr. Oppenheim.

The item was passed by the following vote:

Fiona Ma, CPA, State Treasurer	Aye
David Oppenheim for the State Controller	Aye
Michele Perrault for the Director of Finance	Aye
Ken Rider for the California Energy Commission	Aye
Erin Rodriguez for the Public Utilities Commission	Aye

5. Public Comment

Ms. Ma asked if there were any comments or questions from the public not related to any of the items before the board today. There were none.

6. Adjournment

There being no further business, public comments, or concerns, the meeting adjourned at 11:20 a.m.

Respectfully submitted,

Christina Sarron, Executive Director
