Access to 142 West 88th Street, Triplex

To contractors working in the triplex:

The apartment is empty. I hold the keys and will let you in for agreed visits. Please call me the day before at (917) 555-0186.

Power, heat and water are on.

Keep off the southeast bedroom loft ladder until the railing has been repaired. It is taped off.

Protect the floors and stairs while you work: runners on the stairs and covers on the parquet.
